Resource Binder

All of the items in the resource binder were gone through and explained questions were asked about Photography companies and Mr. Fred said that he would follow up with prices from other companies for comparison. Some of the banners and freebies were explained and asked to the council to look at and make decisions as to whether or not items were needed to improve the appearance or atmosphere of the school. A discussion would be held during the next meeting to discuss the timeline for faculty nominations if needed. Time lines were also to be discussed concerning School improvement Plan and School Trust Lands Plan.
